NB. If you're unaware of your login email address and password contact the EEEGR team. Also if you wish for another member of staff to have access please get in touch.

4. Select the Edit INFO option from the menu list displayed on the right hand side of the page.

5. Here you can update your personal contact details.

6. Click here to update your company profile

Edit your Personal Information

[Update Your Company Info](#)

You may update your personal contact information at any time.

Please remember that your main email address is your system username. If you change your main email address your username will reflect that change the next time you log on to the EEEGR system.

You need only inform us of as much contact information as you want to.

We request that you complete and maintain as much information as you are able.

This will assist us in our valuable research into the Energy Industry in the region and is ultimately for the benefit of each company and organisation that takes part.

Financial information is, of course, kept confidential.
 Our analysis of financial trends does not identify individual business financial information.
