The Contractor shall take appropriate steps to ensure that neither the Contractor nor any Staff are placed in a position where (in the reasonable opinion of EEEGR), there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor or Staff and the duties owed to EEEGR under the provisions of the Contract.

The Contractor shall promptly notify EEEGR (and provide full particulars to EEEGR) if any conflict referred to in Clause 1.9.1 above arises or is reasonably foreseeable.

EEEGR reserves the right to terminate the Contract immediately by giving notice in writing to the Contractor and/or to take such other steps it deems necessary where, in the reasonable opinion of EEEGR, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to EEEGR under the provisions of the Contract. The actions of EEEGR pursuant to this clause shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to EEEGR.

This clause shall apply during the Contract Period and for a period of six (6) Months after expiry of the Contract Period.

The Contractor shall take all reasonable steps to prevent any Fraud by Staff and the Contractor (including its shareholders, members and directors) in connection with the receipt of monies from EEEGR.

The Contractor shall notify EEEGR immediately if it has reason to suspect that any Fraud has occurred or is occurring or is likely to occur.

If the Contractor or its Staff commits any Fraud in relation to this or any other contract with EEEGR, EEEGR may:

terminate the Contract with immediate effect by giving the Contractor notice in writing and recover from the Contractor the amount of any loss suffered by EEEGR resulting from the termination including the cost reasonably incurred by EEEGR of making other arrangements for the supply of the Goods and Services and any additional expenditure incurred by EEEGR throughout the remainder of the Contract Period; and/or

recover in full from the Contractor any other loss sustained by EEEGR in consequence of any breach of this clause.

SUPPLY OF GOODS AND SERVICES

The Services

The Contractor shall supply the Services during the Contract Period in accordance with EEEGR's requirements as set out in the Contract in consideration for the payment of the Contact Price. EEEGR may inspect and examine the manner in which the Contractor supplies the Services at the Premises during normal business hours on reasonable notice.

If EEEGR informs the Contractor in writing that EEEGR reasonably believes that any part of the Services does not meet the requirements of the Contract or differs in any way from those

requirements, and this is other than as a result of a Default on the part of EEEGR, the Contractor shall at its own expense re-schedule and carry out the Services in accordance with the requirements of the Contract within such reasonable time as may be specified by EEEGR.

Subject to EEEGR providing Approval in accordance with Clause 2.2.2 (Provision and Removal of Equipment), timely supply of the Services shall be of the essence of the Contract, including in relation to commencing the supply of the Services within the time agreed or on a specified date.

Provision and Removal of Equipment

Unless otherwise stated in the Contract Award Form, the Contractor shall provide all the Equipment necessary for the supply of the Services.

The Contractor shall not deliver any Equipment nor begin any work on the Premises without obtaining EEEGR's prior Approval.

All Equipment brought onto the Premises shall be at the Contractor's own risk and EEEGR shall have no liability for any loss of or damage to any Equipment unless the Contractor is able to demonstrate that such loss or damage was caused or contributed to by EEEGR's Default. The Contractor shall provide for the haulage or carriage thereof to the Premises and the removal of Equipment when no longer required at its sole cost. Unless otherwise agreed, Equipment brought onto the Premises will remain the property of the Contractor.

The Contractor shall maintain all items of Equipment within the Premises in a safe, serviceable and clean condition.

The Contractor shall, at EEEGR's written request, at its own expense and as soon as reasonably practicable:-

remove from the Premises any Equipment which in the reasonable opinion of EEEGR is either hazardous, noxious or not in accordance with the Contract; and

replace such item with a suitable substitute item of Equipment.

On completion of the Services, the Contractor shall remove the Equipment together with any other materials used by the Contractor to supply the Services and shall leave the Premises in a clean, safe and tidy condition. The Contractor is solely responsible for making good any damage to the Premises or any objects contained thereon, other than fair wear and tear, which is caused by the Contractor or any Staff.

Manner of Carrying Out the Services

The Contractor shall at all times comply with the Quality Standards, and where applicable shall maintain accreditation with the relevant Quality Standards' authorisation body. To the extent that the standard of Services has not been specified in the Contract the Contractor shall agree

the relevant standard of the Services with EEEGR prior to the supply of the Services and in any event, the Contractor shall perform its obligations under the Contract in accordance with the Law and Good Industry Practice.

The Contractor shall ensure that all Staff supplying the Services shall do so with all due skill, care and diligence and shall possess such qualifications, skills and experience as are necessary for the proper supply of the Services.

Key Personnel

The Parties have agreed to the appointment of the Key Personnel. The Contractor shall and shall procure that any sub-Contractor shall obtain the prior Approval of EEEGR before removing or replacing any Key Personnel during the Contract Period, and, where possible, at least one month's written notice must be provided by the Contractor of its intention to replace Key Personnel.

EEEGR shall not unreasonably delay or withhold its consent to the appointment of a replacement for any relevant Key Personnel by the Contractor or sub-Contractor. EEEGR may interview the candidates for Key Personnel positions before they are appointed.

The Contractor acknowledges that the Key Personnel are essential to the proper provision of the Services to EEEGR. The Contractor shall ensure that the role of any Key Personnel is not vacant for any longer than ten (10) Working Days and that any replacement shall be as or more qualified and experienced as the previous incumbent and fully competent to carry out the tasks assigned to the Key Personnel whom he or she has replaced.

EEEGR may also require the Contractor to remove any Key Personnel that EEEGR considers in any respect unsatisfactory. EEEGR shall not be liable for the cost of replacing any Key Personnel.

Contractor's Staff

EEEGR may, by written notice to the Contractor, refuse to admit onto, or withdraw permission to remain on, the Premises:-

any member of the Staff; or

any person employed or engaged by any member of the Staff;

whose admission or continued presence would, in the reasonable opinion of EEEGR, be undesirable.

At EEEGR's written request, the Contractor shall provide a list of the names and addresses of all persons who may require admission in connection with the Contract to the Premises, specifying the capacities in which they are concerned with the Contract and giving such other particulars as EEEGR may reasonably request.

The Contractor's Staff, engaged within the boundaries of the Premises, shall comply with such rules, regulations and requirements (including those relating to security arrangements) as may be in force from time to time for the conduct of personnel when at or within the boundaries of those Premises.

If the Contractor fails to comply with Clause 2.5.2 within one (1) Month of the date of the request, EEEGR may terminate the Contract, provided always that such termination shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to EEEGR.

The decision of EEEGR as to whether any person is to be refused access to the Premises and as to whether the Contractor has failed to comply with Clause 2.5.2 shall be final and conclusive.

Inspection of Premises

Save as EEEGR may otherwise direct, the Contractor is deemed to have inspected the Premises before submitting the Contractor Proposal and to have made appropriate enquiries so as to be satisfied in relation to all matters connected with the performance of its obligations under the Contract.

Licence to occupy Premises

Any land or Premises made available from time to time to the Contractor by EEEGR in connection with the Contract shall be made available to the Contractor on a non-exclusive licence basis free of charge and shall be used by the Contractor solely for the purpose of performing its obligations under the Contract. The Contractor shall have the use of such land or Premises as licensee and shall vacate the same on completion, termination or abandonment of the Contract.

The Contractor shall limit access to the land or Premises to such Staff as is necessary to enable it to perform its obligations under the Contract and the Contractor shall co-operate (and ensure that its Staff co-operate) with such other persons working concurrently on such land or Premises as EEEGR may reasonably request.

Should the Contractor require modifications to the Premises, such modifications shall be subject to prior Approval and shall be carried out by EEEGR at the Contractor's expense. EEEGR shall undertake modification work approved by EEEGR in writing without undue delay. Ownership of such modifications shall rest with EEEGR.

The Contractor shall (and shall ensure that its Staff shall) observe and comply with such rules and regulations as may be in force at any time for the use of such Premises and conduct of personnel at the Premises as determined by EEEGR, and the Contractor shall pay for the cost of making good any damage caused by the Contractor or its Staff other than fair wear and tear.

For the avoidance of doubt, damage includes damage to the fabric of the buildings, plant, fixed equipment or fittings therein.

The Parties agree that there is no intention on the part of EEEGR to create a tenancy of any nature whatsoever in favour of the Contractor or its Staff and that no such tenancy has or shall come into being and, notwithstanding any rights granted pursuant to the Contract, EEEGR retains the right at any time to use any premises owned or occupied by it in any manner it sees fit.

Offers of Employment

For the duration of the Contract and for a period of six (6) Months thereafter, the Contractor shall neither employ nor offer employment to any of EEEGR's officers or employees without EEEGR's prior written consent.

Supply of the Goods

The Contractor shall supply and, where relevant, install the Goods in accordance with the Contractor Proposal, the ITT and in accordance with any obligations implied by Section 12 or 14 of the Sale of Goods Act 1979 or Section 2 of the Supply of Goods and Services Act 1982.

If requested by EEEGR the Contractor shall provide EEEGR with samples of Goods for evaluation and approval, at the Contractor's cost and expense.

The Contractor shall ensure that the Goods are fully compatible with any of EEEGR's relevant equipment.

The Contractor acknowledges that EEEGR relies on the skill and judgment of the Contractor in the supply of the Goods and the performance of its obligations under the Contract.

Delivery

The Contractor shall deliver the Goods at the time(s) and date(s) specified by EEEGR.

Unless otherwise stated in writing by EEEGR, where the Goods are delivered by the Contractor, the point of delivery shall be when the Goods are removed from the transporting vehicle at the Premises. Where the Goods are collected by EEEGR, the point of delivery shall be when the Goods are loaded on EEEGR's vehicle.

Except where otherwise provided in the Contract, delivery shall include the unloading, stacking or installation of the Goods by the Staff or the Contractor's Contractors or carriers at such place as EEEGR or duly authorised person shall reasonably direct.

Time of delivery shall be of the essence where specified in the relevant ITT and if the Contractor fails to deliver the Goods within the time specified in the Contract Award Form and/or the Contractor Proposal (as appropriate), EEEGR may release itself from any obligation to accept

and pay for the Goods and/or terminate the Contract, in either case without prejudice to any other rights and remedies of EEEGR.

EEEGR shall be under no obligation to accept or pay for any Goods delivered in excess of the quantity ordered. If EEEGR elects not to accept such over-delivered Goods it shall give notice in writing to the Contractor to remove them within five (5) Working Days and to refund to EEEGR any expenses incurred by it as a result of such over-delivery (including but not limited to the costs of moving and storing the Goods), failing which EEEGR may dispose of such Goods and charge the Contractor for the costs of such disposal. The risk in any over-delivered Goods shall remain with the Contractor unless they are accepted by EEEGR.

EEEGR shall be under no obligation to accept or pay for any Goods supplied earlier than the date for delivery stated in the Contract Award Form and/or the Contractor Proposal (as appropriate).

Unless expressly agreed to the contrary, EEEGR shall not be obliged to accept delivery by instalments. If, however, EEEGR does specify or agree to delivery by instalments, delivery of any instalment later than the date specified or agreed for its delivery shall, without prejudice to any other rights or remedies of EEEGR, entitle EEEGR to terminate the whole of any unfulfilled part of the Contract without further liability to EEEGR.

Ownership and Risk

Ownership and risk in the Goods shall, without prejudice to any other rights or remedies of EEEGR, pass to EEEGR at the time of acceptance of delivery.

Non-Delivery

Where specified by EEEGR on dispatch of any consignment of the Goods, the Contractor shall send EEEGR an advice note specifying the means of transport, the place and date of dispatch, the number of packages and their weight and volume. Where the Goods, having been placed in transit, fail to be delivered to EEEGR on the due date for delivery, EEEGR shall, (provided that EEEGR has been advised in writing of the dispatch of the Goods), within ten (10) Working Days of the notified date of delivery, give notice to the Contractor that the Goods have not been delivered and may request the Contractor free of charge to deliver substitute Goods within the timescales specified by EEEGR or terminate the Contract.

Inspection, Rejection and Guarantee

EEEGR or its authorised representatives may inspect or test the Goods either complete or in the process of manufacture during normal business hours on reasonable notice at the Contractor's premises and the Contractor shall provide all reasonable assistance in relation to any such

inspection or test free of charge. No failure to make a complaint at the time of any such inspection or test and no approval given during or after such inspection or test shall constitute a waiver by EEEGR of any rights or remedies in respect of the Goods and EEEGR reserves the right to reject the Goods in accordance with Clause 2.14.2.

EEEGR may by written notice to the Contractor reject any of the Goods which fail to conform to the approved sample or fail to meet the Contract requirements. Such notice shall be given within a reasonable time after delivery to EEEGR of such Goods. If EEEGR rejects any of the Goods pursuant to this clause EEEGR may (without prejudice to other rights and remedies) either:-

have such Goods promptly, and in any event within 5 Working Days, either repaired by the Contractor or replaced by the Contractor with Goods which conform in all respects with the approved sample or with the Contract Award Form and due delivery shall not be deemed to have taken place until such repair or replacement has occurred; or

treat the Contract as discharged by the Contractor's breach and obtain a refund from the Contractor in respect of the Goods concerned together with payment of any additional expenditure reasonably incurred by EEEGR in obtaining other goods in replacement provided that EEEGR uses its reasonable endeavours to mitigate any additional expenditure in obtaining replacement goods.

The issue by EEEGR of a receipt note for the Goods shall not constitute any acknowledgement of the condition, quantity or nature of those Goods.

The Contractor hereby guarantees the Goods for the period which is the longer of (i) from the date of delivery to the date twelve (12) Months thereafter and (ii) the Contractor's standard guarantee period for the relevant Goods against faulty materials or workmanship. If EEEGR shall within such guarantee period or within twenty five (25) Working Days thereafter give notice in writing to the Contractor of any defect in any of the Goods as may have arisen during such guarantee period under proper and normal use, the Contractor shall (without prejudice to any other rights and remedies which EEEGR may have) promptly remedy such defects (whether by repair or replacement as EEEGR shall elect) free of charge.

Any Goods rejected or returned by EEEGR as described in Clause 2.13.2 shall be returned to the Contractor at the Contractor's risk and expense.

Labelling and Packaging

The Goods shall be packed and marked in a proper manner and in accordance with EEEGR's instructions and any statutory requirements and any requirements of the carriers. In particular the Goods shall be marked with the order number (or other reference number if appropriate) and the net, gross and tare weights, the name of the contents shall be clearly marked on each

container and all containers of hazardous Goods (and all documents relating thereto) shall bear prominent and adequate warnings.

Where indicated by EEEGR or the ITT, the Contract Price shall include the cost of instruction of EEEGR's personnel in the use and maintenance of the Goods.

Contract Performance

In supplying the Goods the Contractor shall perform its obligations under the Contract:
with appropriately experienced, qualified and trained Staff with all due care and attention;
in a timely manner; and

in compliance with applicable Laws, including but not limited to, any obligations implied by Section 12 and 14 of the Sale of Goods Act 1979 and Section 2 of the Supply of Goods and Services Act 1982.

The Contractor shall ensure that:

the Goods conform in all respects with the specifications set out, in the Contract or any sample approved by EEEGR;

the Goods operate in accordance with the relevant technical specifications and correspond with the requirements specified by EEEGR;

the Goods conform in all respects with all applicable Laws; and

the Goods are free from defects in design and workmanship and are fit for purpose for which such Goods are ordinarily used and for any particular purpose made known to the Contractor by EEEGR.

Appointment of Contractor Representative

The Contractor will appoint a suitably qualified senior authorised individual within its organisation to act as the Contractor Representative. The Contractor Representative will have primary responsibility for ensuring that EEEGR's obligations under the Contract are complied with and will be EEEGR's principal point of contact with the Contractor in relation to the Contract.

Meetings

The Contractor shall ensure that the Contractor Representative and such other members of management and/or of staff of the Contractor as reasonably required by EEEGR attend all meetings reasonably arranged by EEEGR for the discussion of matters connected with the performance of the Contract. The Contractor shall, within ten (10) Working Days from the date

of the meeting, provide a note of the meeting. EEEGR shall not be deemed to agree with the contents of the note due to it as a result of it failing to report an error or omission contained in the note to the Contractors.

PAYMENT AND CONTRACT PRICE

Contract Price

In consideration of the Contractor's performance of its obligations under the Contract, EEEGR shall pay the Contract Price in accordance with Clause 3.2 (Payment and VAT).

EEEGR shall, in addition to the Contract Price and following evidence of a valid VAT invoice, pay the Contractor a sum equal to the VAT chargeable on the value of the Services supplied in accordance with the Contract.

Payment and VAT

The Contractor shall submit invoices to EEEGR within either twenty eight (28) days of the completion of the relevant Services/supply of the relevant Goods (as appropriate) or within such earlier period to enable payment to be made by EEEGR in accordance with the Payment Details.

EEEGR shall pay all sums due to the Contractor in cleared funds within thirty (30) days of receipt of a valid invoice (which must quote the Contract Number), submitted in accordance with the provisions of the Contract.

The Contractor shall ensure that each invoice contains all appropriate references and a detailed breakdown of the Goods supplied and/or as applicable the Services provided and that it is supported by any other documentation reasonably required by EEEGR to substantiate the invoice.

Where the Contractor enters into a sub-contract with a Contractor or Contractor for the purpose of performing its obligations under the Contract, it shall ensure that a provision is included in such a sub-contract which requires payment to be made of all sums due by the Contractor to the sub-Contractor within a specified period not exceeding thirty (30) days from the receipt of a valid invoice, as defined by the sub-contract requirements.

The Contractor shall add VAT to the Contract Price at the prevailing rate as applicable.

The Contractor shall indemnify EEEGR on a continuing basis against any liability, including any interest, penalties or costs incurred, which is levied, demanded or assessed on EEEGR at any time in respect of the Contractor's failure to account for or to pay any VAT relating to payments made to the Contractor under the Contract. Any amounts due under this Clause 3.2.6 shall be paid by the Contractor to EEEGR not less than five (5) Working Days before the date upon which the tax or other liability is payable by EEEGR.

The Contractor shall not suspend the supply of the Services and/or Goods (as applicable) unless the Contractor is entitled to terminate the Contract under Clause 8.2 (Termination on Default) for failure to pay undisputed sums of money.

Recovery of Sums Due

Wherever under the Contract any sum of money is recoverable from or payable by the Contractor (including any sum which the Contractor is liable to pay to EEEGR in respect of any breach of the Contract), EEEGR may unilaterally deduct that sum from any sum then due, or which at any later time may become due to the Contractor under the Contract or under any other agreement or contract with EEEGR.

Any overpayment by either Party, whether of the Contract Price or of VAT or otherwise, shall be a sum of money recoverable by the Party who made the overpayment from the Party in receipt of the overpayment.

The Contractor shall make any payments due to EEEGR without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Contractor has a valid court order requiring an amount equal to such deduction to be paid by EEEGR to the Contractor.

All payments due shall be made within a reasonable time unless otherwise specified in the Contract, in cleared funds, to such bank or building society account as the recipient Party may from time to time direct.

Euro

Any requirement of Law to account for the Goods and/or Services in Euro, (or to prepare for such accounting) instead of and/or in addition to sterling, shall be implemented by the Contractor free of charge to EEEGR.

EEEGR shall provide all reasonable assistance to facilitate compliance with Clause 3.4.1 by the Contractor.

STATUTORY OBLIGATIONS AND REGULATIONS

Prevention of Corruption

The Contractor shall not offer or give, or agree to give, to any employee, agent, servant or representative of EEEGR or person employed by or on behalf of EEEGR any gift or consideration of any kind which could act as an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the Contract or any other contract with EEEGR or person employed by or on behalf of EEEGR (including its award to the Contractor, execution or any rights and obligations contained in it), or for showing or refraining from showing favour or disfavour to any person in relation to any such contract. The attention

of the Contractor is drawn to the criminal offences under the Prevention of Corruption Acts 1889 to 1916.

The Contractor warrants that it has not paid commission or agreed to pay commission to EEEGR or any person employed by or on behalf of EEEGR in connection with the Contract.

If the Contractor, its Staff or any person acting on the Contractor's behalf, engages in conduct prohibited by Clauses 4.1.1 or 4.1.2 above or any other contract with EEEGR or person employed by or on behalf of EEEGR, EEEGR may:-

terminate the Contract with immediate effect by giving notice in writing to the Contractor and recover from the Contractor the amount of any loss suffered by EEEGR resulting from the termination; and/or

recover in full from the Contractor any other loss sustained by EEEGR in consequence of any breach of those clauses.

Discrimination

The Contractor shall not unlawfully discriminate within the meaning and scope of any law, enactment, order or regulation relating to discrimination (whether in race, gender, religion, disability, sexual orientation, age or otherwise).

The Contractor shall take all reasonable steps to secure the observance of Clause 4.2.1 by all Staff, employees or agents of the Contractor and all Contractors and sub-Contractors employed in the execution of the Contract.

The Contracts (Rights of Third Parties) Act 1999

A person who is not a Party to the Contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties, but this does not affect any right or remedy of any person which exists or is available otherwise than pursuant to that Act.

Environmental Requirements

In providing the Goods or Services the Contractor shall comply with EEEGR's environmental policy from time to time and which is currently to conserve energy, water and other resources, reduce waste and phase out the use of ozone depleting substances and minimise the release of greenhouse gases, volatile organic compounds and other substances damaging to health and the environment.

All written outputs, including reports, produced in connection with the Contract by the Contractor shall (unless otherwise specified) be produced on recycled paper containing at least 80% post consumer waste and used on both sides where appropriate.

The Contractor shall make maximum use of recycled materials in the manufacture of crates, pallets, boxes, cartons, cushioning and other forms of packaging. Packaging must be capable of recovery for reuse or recycling.

Health and Safety

The Contractor shall promptly notify EEEGR of any health and safety hazards which may arise in connection with the performance of its obligations under the Contract. EEEGR shall promptly notify the Contractor of any health and safety hazards which may exist or arise at the Premises and which may affect the Contractor in the performance of its obligations under the Contract.

While on the Premises, the Contractor shall comply with any health and safety measures implemented by EEEGR in respect of Staff and other persons working there.

The Contractor shall notify EEEGR immediately in the event of any incident occurring in the performance of its obligations under the Contract on the Premises where that incident causes any personal injury or damage to property which could give rise to personal injury.

The Contractor shall comply with the requirements of the Health and Safety at Work etc. Act 1974 and any other acts, orders, regulations and codes of practice relating to health and safety, which may apply to Staff and other persons working on the Premises in the supply of the Services under the Contract.

The Contractor shall ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974 and as otherwise employed by Good Industry Practice) is made available to EEEGR prior to the Commencement Date and any changes to the policy are promptly notified to EEEGR in writing.

PROTECTION OF INFORMATION

Data Protection Act

In this clause “personal data” has the same meaning as in Part I (1 & 3) of the DPA.

If EEEGR provides the Contractor with any personal data, the Contractor shall:

process the personal data solely for the purpose of providing the Services and/or Goods in accordance with the Contract and to fulfil the Contractor’s obligations and exercise its rights under the Contract;

take reasonable steps to ensure the reliability of its employees who have access to the personal data;

comply with EEEGR’s instructions and policies relating to the processing of the personal data (including but not limited to any policies relating to data security and direct marketing);

keep the personal data confidential and not disclose the personal data to any third party without the prior written consent of EEEGR;

take appropriate technical and organisational measures against the unauthorised or unlawful processing of the personal data or accidental loss or destruction of, or damage to the personal data. When considering what measures are appropriate, the Parties shall have regard to the state of technological development and the cost of implementing any measures to ensure a level of security appropriate to the harm that may result from such unauthorised or unlawful processing or accidental loss or destruction, and to the nature of the data;

notify EEEGR promptly of:

any accidental or unauthorised access to the personal data;

any request received directly from a data subject;

any legally binding request of disclosure of the personal data by a law enforcement authority;

provide such assistance as is necessary to enable EEEGR to comply with requests by data subjects for access to their personal data within the period required by the Data Protection Act 1998;

comply with all applicable laws including but not limited to the DPA in relation to all processing of the personal data and not perform its obligations under this Contract in such a way as to cause EEEGR to breach any such laws;

not cause or permit the personal data to be transferred outside the European Economic Area without EEEGR's prior written consent; and

permit EEEGR to inspect and audit the Contractor's data processing activities and comply with all reasonable requests or directions by EEEGR to enable EEEGR to verify and/or procure that the Contractor is in full compliance with its obligations under this Contract.

The Contractor shall indemnify and keep indemnified EEEGR against all claims and proceedings, and all costs and expenses incurred in connection therewith, made or brought against EEEGR by any person in respect of loss, damage or distress caused to that person by the disclosure, loss or destruction by the Contractor, the Contractor's servants, agents or sub-contractors of any personal data.

Records and Audit Access

The Contractor shall keep and maintain until six (6) years after the date of termination or expiry (whichever is the earlier) of the Contract (or as long a period as may be agreed between the Parties), full and accurate records and accounts of the operation of the Contract including the Services provided and/or Goods supplied under it and the amounts paid by EEEGR in relation to the Contract.

The Contractor shall keep the records and accounts referred to in Clause 5.2.1 above in accordance with good accountancy practice.

The Contractor shall on request afford EEEGR, EEEGR's representatives and/or approved Auditor such access to such records and accounts as may be required by EEEGR from time to time.

EEEGR shall use reasonable endeavours to ensure that the conduct of each audit does not unreasonably disrupt the Contractor or delay the provision of the Services or supply of Goods save insofar as the Contractor accepts and acknowledges that control over the conduct of audits carried out by the Auditor is outside of the control of EEEGR.

Subject to EEEGR's rights of Confidential Information, the Contractor shall on demand provide the Auditors with all reasonable co-operation and assistance in relation to each audit, including:-

all information requested by EEEGR within the scope of the audit;

reasonable access to sites controlled by the Contractor and to Equipment used in the provision of the Services; and

access to the Staff.

The Parties agree that they shall bear their own respective costs and expenses incurred in respect of compliance with their obligations under this Clause 5.2, unless the audit reveals a material Default by the Contractor in which case the Contractor shall reimburse EEEGR for EEEGR's reasonable costs incurred in relation to the audit.

Confidential Information

Each Party shall:

treat all Confidential Information belonging to the other Party as confidential and use all reasonable endeavours to prevent their Staff from making any disclosure to any person of any such Confidential Information; and

not disclose any Confidential Information belonging to the other Party to any other person without the prior written consent of the other Party, except to such persons and to such extent as may be necessary for the performance of either Party's obligations under the Contract or except where disclosure is otherwise expressly permitted by the provisions of the Contract.

The Contractor shall ensure that its Staff, professional advisors and consultants are aware of the Contractor's Confidential Information obligations under the Contract and shall use its best endeavours to ensure that its Staff, professional advisors and consultants comply with the Contractor's Confidential Information under the Contract.

The Contractor shall not use any Confidential Information it receives from EEEGR otherwise than for the purposes of the Contract.

Nothing in Clauses 5.3.1 to 5.3.3 shall prevent EEEGR disclosing any Confidential Information obtained from the Contractor:-

for the purpose of the examination and certification of EEEGR's accounts; or

for the purpose of any examination by the Auditor of the economy, efficiency and effectiveness with which EEEGR has used its resources; or

to any consultant, Contractor or other person engaged by EEEGR;

provided that in disclosing information under sub-paragraph (d) EEEGR discloses only the information which is necessary for the purpose concerned and requests that the information is treated in confidence and that a confidentiality undertaking is given where appropriate.

Nothing in Clauses 5.3.1 to 5.3.3 shall prevent either Party from:-

using any techniques, ideas or know-how gained during the performance of its obligations under the Contract in the course of its normal business, to the extent that this does not result in a disclosure of the other Party's Confidential Information or an infringement of the other Party's Intellectual Property Rights; or

disclosing Confidential Information which must be disclosed pursuant to a statutory, legal or parliamentary obligation placed upon the Party making the disclosure, including any requirements for disclosure under the FOIA or the Environmental Information Regulations.

In the event that the Contractor fails to comply with Clauses 5.3.1 to 5.3.3, EEEGR reserves the right to terminate the Contract with immediate effect by notice in writing.

In order to ensure that no unauthorised person gains access to any Confidential Information or any data obtained in the supply of the Services and/or Goods under the Contract, the Contractor undertakes to maintain adequate security arrangements that meet the requirements of professional standards and best industry practice.

The Contractor will immediately notify EEEGR of any breach of security in relation to Confidential Information and all data obtained in the supply of the Services under the Contract and will keep a record of such breaches. The Contractor will use its best endeavours to recover such Confidential Information or data however it may be recorded. This obligation is in addition to the Contractor's obligations under Clauses 5.3.1 to 5.3.3. The Contractor will co-operate with EEEGR in any investigation that EEEGR considers necessary to undertake as a result of any breach of security in relation to Confidential Information or data.

The Contractor shall, at its own expense, alter any security systems at any time during the Contract Period at EEEGR's request if EEEGR reasonably believes the Contractor has failed to comply with Clause 5.3.7.

Publicity, Media and Official Enquiries

The Contractor shall not make any press announcements or publicise the Contract in any way without EEEGR's prior Approval and shall take reasonable steps to ensure that its servants, agents, employees, sub-Contractors, Contractors, professional advisors and consultants comply with this Clause 5.4.

EEEGR shall be entitled to publicise the Contract for any purpose.

The Contractor shall not do anything or cause anything to be done, which may damage the reputation of EEEGR or bring EEEGR into disrepute.

Security

EEEGR shall be responsible for maintaining the security of the Premises in accordance with its standard security requirements. The Contractor shall comply with all reasonable security requirements of EEEGR while on the Premises and shall comply with the Data Security Obligations. The Contractor shall ensure that all Staff comply with such requirements.

EEEGR shall provide the Contractor upon request copies of its written security procedures and shall afford the Contractor upon request an opportunity to inspect its physical security arrangements.

Intellectual Property Rights

Save as granted elsewhere under the Contract, neither EEEGR nor the Contractor shall acquire any right, title or interest in the other's Pre-Existing IPR.

The Contractor shall not, and shall procure that the Staff shall not, (except when necessary for the performance of the Contract) without prior Approval, use or disclose any Agency Pre-Existing IPR or the Project Specific IPRs to any third party.

All title to and all rights and interest in the Project Specific IPRs shall vest in EEEGR. The Contractor hereby assigns to EEEGR, with full title guarantee, title to and all rights and interest in the Project Specific IPRs and/or shall procure that the first owner of the Project Specific IPRs also does so.

The assignment under Clause 5.6.3 shall either take effect on the date of the Contract or as a present assignment of future rights that will take effect immediately on the coming into existence of the relevant Project Specific IPRs, as appropriate.

The Contractor shall waive or procure a waiver of any moral rights in any copyright works assigned to EEEGR under the Contract.

If requested to do so by EEEGR, the Contractor shall without charge to EEEGR execute all documents and do all such further acts as EEEGR may require to perfect the assignment under Clause 5.6.3 or shall procure that the owner of the Project Specific IPRs does so on the same basis.

EEEGR hereby grants to the Contractor a non-exclusive, revocable, non-assignable licence to use EEEGR Pre-Existing IPR and the Project Specific IPRs during the Contract Period for the sole purpose of enabling the Contractor to provide the Services and/or supply the Deliverables.

Prior to using any third party Intellectual Property Rights, the Contractor shall obtain the Approval of EEEGR. The Contractor shall provide EEEGR with details of any third party licence required by the Contractor and/or EEEGR for the Contractor to carry out its obligations under the Contract using the third party Intellectual Property Rights. EEEGR reserves the right to withhold Approval in the event that it does not agree to the terms of the third party licence or where any additional charges will be incurred.

Where the Contractor is granted Approval by EEEGR to use the third party rights, the Contractor shall procure that the owner of third party rights grants to EEEGR a licence upon the terms informed to EEEGR when seeking the Approval.

The Contractor shall, during and after the Contract Period, indemnify and keep indemnified and hold EEEGR harmless from and against all actions, suits, claims, demands, losses, charges, damages, costs and expenses and other liabilities which EEEGR may suffer or incur as a result of any claim that the performance by the Contractor of the Services and/or supply of the Deliverables and/or the possession or use by EEEGR of the Deliverables infringes or allegedly infringes a third party's Intellectual Property Rights ("Claim") except where the Claim arises from:-

items or materials based upon designs supplied by EEEGR; or

the use of data supplied by EEEGR which is not required to be verified by the Contractor under any provision of the Contract.

EEEGR shall notify the Contractor in writing of the Claim and EEEGR shall not make any admissions which may be prejudicial to the defence or settlement of the Claim. The Contractor shall at its own expense conduct all negotiations and any litigation arising in connection with the Claim provided always that the Contractor:

shall consult EEEGR on all substantive issues which arise during the conduct of such litigation and negotiations;

shall take due and proper account of the interests of EEEGR; and

shall not settle or compromise the Claim without EEEGR's prior Approval (not to be unreasonably withheld or delayed).

If a Claim is made in connection with the Contract or in the reasonable opinion of the Contractor is likely to be made, the Contractor shall immediately notify EEEGR and, at its own expense and subject to the consent of EEEGR (not to be unreasonably withheld or delayed), use its best endeavours to:-

modify the relevant part of the Services or the Deliverables without reducing the performance or functionality of the same, or substitute alternative services or deliverables of equivalent performance and functionality, so as to avoid the infringement or the alleged infringement, provided that the provisions herein shall apply with any necessary changes to such modified services or deliverables or to the substitute services or deliverables; or

procure a licence to use and supply the Services or the Deliverables, which are the subject of the alleged infringement, on terms which are acceptable to EEEGR,

and in the event that the Contractor is unable to comply with Clauses 5.6.11(a) or 5.6.12(b) within twenty (20) Working Days of receipt of the Contractor's notification EEEGR may terminate the Contract with immediate effect by notice in writing and the Contractor shall, upon demand, refund EEEGR with all monies paid in respect of the Services or Deliverable that is subject to the Claim.

In the event that a modification or substitution in accordance with Clause 5.6.11(a) is not possible so as to avoid the infringement, or the Contractor has been unable to procure a licence in accordance with Clause 5.6.11(b) EEEGR shall be entitled to delete the relevant Service from the Contract.

This Clause 5.6 sets out the entire financial liability of the Contractor with regard to the infringement of any Intellectual Property Rights as a result of the provision of the Services and/or the provision of the Deliverables hereunder. This shall not affect the Contractor's financial liability for other Defaults or causes of action that may arise hereunder.

CONTROL OF THE CONTRACT

Transfer and Sub-Contracting

The Contractor shall not assign, novate, sub-contract or in any other way dispose of the Contract or any part of it without prior written Approval. Sub-contracting any part of the Contract shall not relieve the Contractor of any obligation or duty attributable to the Contractor under the Contract.

The Contractor shall be responsible for the acts and omissions of its sub-Contractors as though they are its own.

Where EEEGR has consented to the placing of sub-contracts, copies of each sub-contract shall, at the request of EEEGR, be sent by the Contractor to EEEGR as soon as reasonably practicable.

Subject to Clause 6.1.6, EEEGR may assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof to:-

any body established by Law in order substantially to perform any of the functions that had previously been performed by EEEGR; or

any private sector body which substantially performs the functions of EEEGR,

provided that any such assignment, novation or other disposal shall not increase the burden of the Contractor's obligations under the Contract.

Any change in the legal status of EEEGR shall not, subject to Clause 6.1.6, affect the validity of the Contract. In such circumstances, the Contract shall bind and inure to the benefit of any successor body to EEEGR.

Each Party shall at its own cost and expense carry out, or use all reasonable endeavours to ensure the carrying out of, whatever further actions (including the execution of further documents) the other Party reasonably requires from time to time for the purpose of giving that other Party the full benefit of the provisions of the Contract.

Waiver

The failure of either Party to insist upon strict performance of any provision of the Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by the Contract.

No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with Clause 1.7 (Notices).

A waiver of any right or remedy arising from a breach of the Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Contract.

Variation

Subject to the provisions of this Clause 6.3, EEEGR may request a variation to Goods or Services ordered. Such a change is hereinafter called a "Variation".

EEEGR may request a Variation by giving sufficient information for the Contractor to assess the extent of the Variation and any additional cost that may be incurred. The Contractor shall

respond to a request for a Variation within fifteen (15) Working Days or such shorter period as shall be reasonable having regard to the nature of the Contract and the Variation.

In the event that the Contractor is unable to provide the Variation to the Goods or Services or where the Parties are unable to agree a change to the Contract Price, EEEGR may:

agree to continue to perform their obligations under the Contract without the Variation; or terminate the Contract with immediate effect, except where the Contractor has already delivered part or all of the Services and/or Goods (as appropriate) in accordance with the Contract Award Form or where the Contractor can show evidence of substantial work being carried out to fulfil the Services and/or Goods (as appropriate), and in such a case the Parties shall attempt to agree upon a resolution to the matter. Where a resolution cannot be reached, the matter shall be dealt with under the Dispute Resolution Procedure detailed at Clause 9.2.

If the Parties agree to the Variation and any variation in the Contract Price, the Contractor shall carry out such Variation and be bound by the same provisions so far as is applicable, as though such Variation was stated in the Contract and such Variation shall be documented and must be Approved.

No other variation to the Contract will be effective unless it is approved.

Severability

If any provision of the Contract is held invalid, illegal or unenforceable for any reason, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if the Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of the Contract, EEEGR and the Contractor shall immediately commence good faith negotiations to remedy such invalidity.

Remedies in the event of defective Goods

Without prejudice to any other right or remedy which EEEGR may have, if any Goods are not supplied in accordance with, or the Contractor fails to comply with any of the terms of the Contract, EEEGR shall be entitled to avail itself of any one or more of the following remedies at its discretion, whether or not any part of the Goods have been accepted by EEEGR:-

to rescind the Contract;

to reject the Goods (in whole or in part) and return them to the Contractor at the risk and cost of the Contractor on the basis that a full refund for the Goods so returned shall be paid forthwith by the Contractor;

at EEEGR's option, to give the Contractor the opportunity at the Contractor's expense to either remedy any defect in the Goods or to supply replacement Goods and carry out any other necessary work to ensure that the terms of the Contract are fulfilled;

to refuse to accept any further deliveries of the Goods but without any liability to EEEGR;

to carry out at the Contractor's expense any work necessary to make the Goods comply with the Contract; and

to claim such damages as may have been sustained in consequence of the Contractor's breach or breaches of the Contract.

Remedies in the event of inadequate performance of the Services

Where a complaint is received about the standard of Services or about the manner in which any Services have been supplied or work has been performed or about the materials or procedures used or about any other matter connected with the performance of the Contractor's obligations under the Contract, then EEEGR shall take all reasonable steps to investigate the complaint. EEEGR may, in its sole discretion, uphold the complaint, or take further action in accordance with Clause 8.2 (Termination on Default) of the Contract.

In the event that EEEGR is of the reasonable opinion that there has been a material breach of the Contract by the Contractor, then EEEGR may, without prejudice to its rights under Clause 8.2 (Termination on Default), do any of the following:

without terminating the Contract, itself supply or procure the supply of all or part of the Services until such time as the Contractor shall have demonstrated to the reasonable satisfaction of EEEGR that the Contractor will once more be able to supply all or such part of the Services in accordance with the Contract;

without terminating the whole of the Contract, terminate the Contract in respect of part of the Services only (whereupon a corresponding reduction in the Contract Price shall be made) and thereafter itself supply or procure a third party to supply such part of the Services;

terminate, in accordance with Clause 8.2 (Termination on Default), the whole of the Contract; and/or

charge the Contractor for and the Contractor shall pay any costs reasonably incurred by EEEGR (including any reasonable administration costs) in respect of the supply of any part of the Services by EEEGR or a third party to the extent that such costs exceed the payment which would otherwise have been payable to the Contractor for such part of the Services and

provided that EEEGR uses its reasonable endeavours to mitigate any additional expenditure in obtaining replacement Services.

If the Contractor fails to supply any of the Services in accordance with the provisions of the Contract and such failure is capable of remedy, then EEEGR shall instruct the Contractor to remedy the failure and the Contractor shall at its own cost and expense remedy such failure (and any damage resulting from such failure) within ten (10) Working Days of EEEGR's instructions or such other period of time as EEEGR may direct.

In the event that the Contractor

fails to comply with Clause 6.6.3 above and the failure is materially adverse to the interests of EEEGR or prevents EEEGR from discharging a statutory duty; or

persistently fails to comply with Clause 6.6.3 above;

EEEGR may terminate the Contract with immediate effect by giving the Contractor notice in writing.

Cumulative Remedies

Except as otherwise expressly provided by the Contract, all remedies available to either Party for breach of the Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

Monitoring of Contract Performance

The Contractor shall comply with the monitoring arrangements set out in the Contract or as otherwise specified by EEEGR including, but not limited to, from time to time providing such data and information as the Contractor may be required to produce under the Contract.

Extension of Initial Contract Period

Subject to satisfactory performance of its obligations under the Contract by the Contractor during the Contract Period, EEEGR may, by giving written notice to the Supplier not less than one (1) Month prior to the last day of the Initial Contract Period, extend the Contract for any further period specified in the Contract Award Form (if any such date is specified). The provisions of the Contract will apply throughout any such extended period.

LIABILITIES

Liability, Indemnity and Insurance

Nothing in the Contract shall be construed to limit or exclude either Party's liability for:-
death or personal injury caused by its negligence or that of its employees, staff or agents;

Fraud or fraudulent misrepresentation by it or that of its employees, staff or agents;
any breach of any obligations implied by Section 12 of the Sale of Goods Act 1979 or Section 2 of the Supply of Goods and Services Act 1982;
any claim under Clause 7.3 (Taxation, National Insurance and Employment Liability); or
any claim under the indemnity in Clause 5.7.10.

The Contractor shall not be responsible for any injury, loss, damage, cost or expense if and to the extent that it is caused by the negligence or wilful misconduct of EEEGR or by breach by EEEGR of its obligations under the Contract.

Subject always to Clause 7.1.1 and Clause 7.1.4, the liability of either Party for Defaults shall be subject to the following financial limits. The aggregate liability under the Contract or either Party for all Defaults shall in no event exceed the greater of £150,000 and 150 per cent of the Contract Price payable by EEEGR to the Contractor.

Subject to Clause 7.1.1, in no event shall either Party be liable to the other for any:

any wasted expenditure or charges rendered unnecessary and/or incurred by EEEGR arising from the Contractor's Default; and

the additional cost of procuring replacement services for the remainder of the Contract Period following termination of the Contract as a result of a Default by the Contractor.

Nothing in the Contract shall impose any liability on EEEGR in respect of any liability incurred by the Contractor to any other person, but this shall not be taken to exclude or limit any liability of EEEGR to the Contractor that may arise by virtue of either a breach of the Contract or by negligence on the part of EEEGR, or EEEGR's employees, servants or agents.

The Contractor shall effect and maintain with a reputable insurance company a policy or policies of insurance providing an adequate level of cover in respect of all risks which may be incurred by the Contractor, arising out of the Contractor's performance of its obligations under the Contract, including death or personal injury, loss of or damage to property or any other loss. Such insurance shall be maintained for the duration of the Contract Period and for a minimum of six (6) years following the expiration or earlier termination of the Contract.

The Contractor shall give EEEGR, on request, copies of all insurance policies referred to in this clause or a broker's verification of insurance to demonstrate that the appropriate cover is in place, together with receipts or other evidence of payment of the latest premiums due under those policies.

If, for whatever reason, the Contractor fails to give effect to and maintain the insurances required by the provisions of the Contract EEEGR may make alternative arrangements to protect its interests and may recover the costs of such arrangements from the Contractor.

The provisions of any insurance or the amount of cover shall not relieve the Contractor of any liabilities under the Contract. It shall be the responsibility of the Contractor to determine the amount of insurance cover that will be adequate to enable the Contractor to satisfy any liability referred to in Clause 7.1.2.

Professional Indemnity

The Contractor shall effect and maintain a professional indemnity insurance policy during the Contract Period and shall ensure that all agents, professional consultants and sub-Contractors involved in the supply of the Services effect and maintain appropriate professional indemnity insurance during the Contract Period. Taxation, National Insurance and Employment Liability

The Parties acknowledge and agree that the Contract constitutes a contract for the provision of Services and/or Goods and not a contract of employment. The Contractor shall at all times indemnify EEEGR and keep EEEGR indemnified in full from and against all claims, proceedings, actions, damages, costs, expenses, liabilities and demands whatsoever and howsoever arising by reason of any circumstances whereby EEEGR is alleged or determined to have been assumed or imposed with the liability or responsibility for the Staff (or any of them) as an employer of the Staff and/or any liability or responsibility to HM Revenue or Customs as an employer of the Staff whether during the Contract Period or arising from termination or expiry of the Contract.

EEGR may terminate the Contract with immediate effect by giving notice in writing where the Contractor is a company and in respect of the Contractor:-

but shall not be permitted to terminate where an Approval was granted prior to the Change of Control.

Termination on Default

EEEGR may terminate the Contract by giving written notice to the Contractor with immediate effect if the Contractor commits a Default and if:-

the Contractor has not remedied the Default to the satisfaction of EEEGR within ten (10) Working Days, or such other period as may be specified by EEEGR, after issue of a written notice specifying the Default and requesting it to be remedied; or
the Default is not, in the opinion of EEEGR, capable of remedy; or
the Default is a material breach of the Contract.

In the event that through any Default of the Contractor, data transmitted or processed in connection with the Contract is either lost or sufficiently degraded as to be unusable, the Contractor shall be liable for the cost of reconstitution of that data and shall reimburse EEEGR in respect of any charge levied for its transmission and any other costs charged in connection with such Default of the Contractor.

If EEEGR fails to pay the Contractor undisputed sums of money when due, the Contractor shall notify EEEGR in writing of such failure to pay. If EEEGR fails to pay such undisputed sums within ninety (90) Working Days of the date of such written notice, the Contractor may terminate the Contract in writing with immediate effect, save that such right of termination shall not apply where the failure to pay is due to EEEGR exercising its rights under Clause 3.3 (Recovery of Sums Due).

Break

EEEGR shall be entitled to terminate the Contract, or to terminate the provision of any part of the Services and/or Goods, by giving to the Contractor not less than 28 days' notice in writing to that effect without prejudice to any rights or remedies of the Contractor for breach of Contract. EEEGR shall remain liable to the Contractor for payment of all costs in relation to all Services and/or Goods properly provided in accordance with the Contract up to and including the date of termination provided that EEEGR shall have no liability in respect of any costs incurred after the expiry of the notice period. Once it has given such notice, EEEGR may extend the period of notice at any time before it expires, subject to agreement on the level of Services and/or Goods to be provided by the Contractor during the period of extension.

Without prejudice to Clause 8.3.1 and for the avoidance of doubt, EEEGR shall not be obliged to pay any cancellation charge or other compensation to the Contractor (including, without limitation, in respect of redundancy payments for the Contractor's employees or loss of profits) by reason solely of the termination of Contract by EEEGR.

Consequences of Expiry or Termination

Where EEEGR terminates the Contract under Clause 8.2 (Termination on Default) and then makes other arrangements for the supply of Goods and/or the Services, EEEGR may recover from the Contractor the cost reasonably incurred of making those other arrangements and any additional expenditure incurred by EEEGR throughout the remainder of the Contract Period.

EEEGR shall take all reasonable steps to mitigate such additional expenditure. Where the Contract is terminated under Clause 8.2 (Termination on Default), no further payments shall be payable by EEEGR to the Contractor until EEEGR has established the final cost of making those other arrangements.

Save as otherwise expressly provided in the Contract:-

termination or expiry of the Contract shall be without prejudice to any rights, remedies or obligations accrued under the Contract prior to termination or expiration and nothing in the Contract shall prejudice the right of either Party to recover any amount outstanding at such termination or expiry; and

termination of the Contract shall not affect the continuing rights, remedies or obligations of EEEGR or the Contractor under Clauses 3.2 (Payment and VAT), 3.3 (Recovery of Sums Due), 4.1 (Prevention of Corruption), 5.1 (Data Protection Act), 5.2 (Records and Audit Access), 5.3 (Confidential Information), 5.6 (Intellectual Property Rights), 6.7 (Cumulative Remedies), 7.1 (Liability, Indemnity and Insurance), 7.2 (Professional Indemnity), this Clause 8.4 (Consequences of Expiry or Termination), 8.6 (Recovery upon Termination) and 9.1 (Governing Law and Jurisdiction).

Disruption

The Contractor shall take reasonable care to ensure that in the performance of its obligations under the Contract it does not disrupt the operations of EEEGR, its employees or any other Contractor engaged by EEEGR.

The Contractor shall immediately inform EEEGR of any actual or potential industrial action, whether such action be by their own employees or others, which affects or might affect its ability at any time to perform its obligations under the Contract.

In the event of industrial action by the Staff, the Contractor shall seek EEEGR's Approval to its proposals for the continuance of the supply of the Goods and Services in accordance with its obligations under the Contract.

If the Contractor's proposals referred to in Clause 8.6.3 are considered insufficient or unacceptable by EEEGR acting reasonably then the Contract may be terminated with immediate effect by EEEGR by notice in writing.

If the Contractor is temporarily unable to fulfil the requirements of the Contract owing to disruption of normal business by direction of EEEGR, an appropriate allowance by way of extension of time will be approved by EEEGR. In addition, EEEGR will reimburse any additional expense reasonably incurred by the Contractor as a direct result of such disruption.

Recovery upon Termination

At the end of the Contract Period (howsoever arising) the Contractor shall immediately deliver to EEEGR upon request all Property used in the performance of its obligations under the Contract or in its possession or under its control or in the possession or under the control of any permitted Contractors or sub-Contractors and in the event that the Contractor fails to do so, EEEGR may recover possession thereof and the Contractor grants a licence to EEEGR or its appointed agents to enter (for the purposes of such recovery) any premises of the Contractor or its permitted Contractors or sub-Contractors where any such items may be held.

At the end of the Contract Period (howsoever arising) and/or after the Contract Period the Contractor shall provide assistance to EEEGR and the Replacement Contractor appointed by EEEGR to continue or take over the performance of the Contractor's obligations under the Contract in order to ensure an effective handover of all work then in progress. Where the end of the Contract Period arises due to the Contractor's Default, the Contractor shall provide such assistance free of charge. Otherwise EEEGR shall pay the Contractor's reasonable costs of providing the assistance and the Contractor shall take all reasonable steps to mitigate such costs.

At the end of the Contract Period (howsoever arising) the licence granted pursuant to Clause 5.7.7 shall automatically terminate without the need to serve notice.

Force Majeure

Neither Party shall be liable to the other Party for any delay in performing, or failure to perform, its obligations under the Contract (other than a payment of money) to the extent that such delay or failure is a result of Force Majeure. Notwithstanding the foregoing, each Party shall use all reasonable endeavours to continue to perform its obligations under the Contract for the duration of such Force Majeure. However, if such Force Majeure prevents either Party from performing its material obligations under the Contract for a period in excess of six (6) Months, either Party may terminate the Contract with immediate effect by notice in writing.

Any failure or delay by the Contractor in performing its obligations under the Contract which results from any failure or delay by an agent, sub-Contractor or Contractor shall be regarded as due to Force Majeure only if that agent, sub-Contractor or Contractor is itself impeded by Force Majeure from complying with an obligation to the Contractor.

If either Party becomes aware of a Force Majeure event or occurrence which gives rise to or is likely to give rise to any such failure or delay on its part as described in Clause 8.7.1 it shall immediately notify the other by the most expeditious method then available and shall inform the other of the period during which it is estimated that such failure or delay shall continue.

DISPUTES AND LAW

Governing Law and Jurisdiction

The Contract shall be governed by and interpreted in accordance with English law and the Parties submit to the exclusive jurisdiction of the English courts.

Dispute Resolution

The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Contract within twenty (20) Working Days of either Party notifying the other of the dispute and such efforts shall involve the escalation of the dispute to the Chief Executive (or equivalent) of each Party.

Nothing in this dispute resolution procedure shall prevent the Parties from seeking from any court of competent jurisdiction an interim order restraining the other Party from doing any act or compelling the other Party to do any act.

If the dispute cannot be resolved by the Parties pursuant to Clause 9.2.1 the Parties shall refer it to mediation pursuant to the procedure set out in Clause 9.2.5 unless:-

EEEGR considers that the dispute is not suitable for resolution by mediation; or
the Contractor does not agree to mediation.

The obligations of the Parties under the Contract shall not be suspended, cease or be delayed by the reference of a dispute to mediation (or arbitration) and the Contractor and the Staff shall comply fully with the requirements of the Contract at all times.

The procedure for mediation and consequential provisions relating to mediation are as follows:-

A neutral adviser or mediator ("the Mediator") shall be chosen by agreement between the Parties or, if they are unable to agree upon a Mediator within ten (10) Working Days after a request by one Party to the other or if the Mediator agreed upon is unable or unwilling to act, either Party shall within ten (10) Working Days from the date of the proposal to appoint a Mediator or within ten (10) Working Days of notice to either Party that he is unable or unwilling to act, apply to Centre for Effective Dispute Resolution to appoint a Mediator;

The Parties shall within (ten) 10 Working Days of the appointment of the Mediator meet with him in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations to be held;

Unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings;

If the Parties reach agreement on the resolution of the dispute, the agreement shall be reduced to writing and shall be binding on the Parties once it is signed by their duly authorised representatives;

Failing agreement, either of the Parties may invite the Mediator to provide a non-binding but informative opinion in writing. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties; and

If the Parties fail to reach agreement in the structured negotiations within sixty (60) Working Days of the Mediator being appointed, or such longer period as may be agreed by the Parties, then any dispute or difference between them may be referred to the courts in accordance with Clause 9.1.
